Dear Valued Customer,

I wanted to personally reach out and share an important update regarding your pharmacy care.

After much thoughtful consideration, we will soon be transitioning prescription services from Village Pharmacy in Blowing Rock to our Boone location, Boone Drug at Deerfield. While the physical location that serves prescriptions is changing, what is not changing is our commitment to you, your health, and the personal care you have come to expect from us.

The Blowing Rock community truly means a great deal to me — both personally and professionally — and it is important that you hear this information directly, with clarity and reassurance.

What This Means for You

Your prescriptions and pharmacy records will transfer seamlessly to Boone Drug at Deerfield. Boone Drug at Deerfield can easily fill and manage your prescriptions without interruption. You do not need to take any action to move existing prescriptions — we will take care of that for you.

Village Pharmacy will continue serving patients in person through **Friday, May 15, 2026**. After that date, prescriptions will be filled and managed through Boone Drug at Deerfield.

Important: Prescription Delivery Will Be a Key Option for Ongoing Care
